

# Massachusetts Crosswalk of HealthySteps-Aligned Services with Billing Codes and Provider Types

The HealthySteps National Office Policy and Finance Team

## About This Document

---

Have you ever wanted a list of the reimbursable HealthySteps (HS)-aligned services and corresponding list of providers who can render the services to assist with hiring decisions or to quickly identify “open” codes in Massachusetts? If so, this document will provide you with helpful guidance. Knowing the HS-aligned services open in Massachusetts, their associated billing codes, and the professionals eligible to render the service and/or receive insurance carrier reimbursement for each service will assist your site in understanding potential billing opportunities and may assist you in the decision-making process when hiring a HS Specialist.

The following table outlines HS-aligned services, the service types, whether they are inside or outside the accountable care organization (ACO) primary care sub capitated payment, and the provider types that can provide and/or render the services. At the bottom of the table, you will find a tally of the number of billable codes for each provider type.

In summary the top four provider types with the most opportunities to currently bill for HS-aligned services in Massachusetts, under Medicaid (MassHealth), are:

- Licensed Clinical Psychologists
- Psychological Associates
- Licensed Independent Clinical Social Workers
- Licensed Marriage and Family Therapists
