New York Crosswalk of HealthySteps-Aligned Services with Billing Codes and Provider Types

HealthySteps National Office Policy & Finance Team

About This Document

Have you ever wanted a list of the reimbursable HealthySteps (HS)-aligned services and corresponding list of providers who can render the services to assist with hiring decisions or to quickly identify "open" codes in New York? If so, this document will provide you with helpful guidance. Knowing the HS-aligned services open in New York, their associated billing codes, and the professionals eligible to render the service and/or receive insurance carrier reimbursement for each service will assist your site in understanding potential billing opportunities and may assist you in the decision-making process when hiring a HS Specialist.

The following table outlines HS-aligned services, the service types, and the provider types that can provide and/or render the services. At the bottom of the table, you will find a tally of the number of billable codes for each provider type.

In summary, the top three provider types with the most opportunities to currently bill for HS-aligned services in New York, under Medicaid, are:

- Licensed Clinical Psychologists
- Licensed Clinical Social Workers
- Licensed Master Social Workers under the supervision of a Licensed Clinical Social Worker, a Licensed Clinical Psychologist, or a Psychiatrist

Disclaimer: This document is not intended to give billing advice or guidance to any specific provider or HealthySteps site and does not consider the fact that payors, providers, and sites may have their own policies and procedures that may affect or prohibit implementation of these recommendations. Additionally, billing guidance is updated often. If there are any updates you recommend, please reach out to HSPolicyandFinance@zerotothree.org.
